

Standard Two – Child Safety Policy

Introduction

At St Brigid's School we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school. Our commitment is drawn from and inherent in the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel ([CECV Commitment Statement to Child Safety](#)).

St Brigid's Primary School is committed to providing a safe environment for all students and young people and takes active steps to protect them against abuse. To achieve this the school has developed and actively enforces Child Safety Strategies to ensure that any person involved in 'child connected work' is aware of their obligations & responsibilities for ensuring the safety of all children under their care.

In accordance with requirements of the [Victorian Government's Ministerial Order No 870](#), St Brigid's Primary School maintains a culture of 'no tolerance' to child abuse and to support this has established minimum Child Safety Standards.

The person of each individual human being, in his or her material and spiritual needs, is at the heart of Christ's teaching: that is why the promotion of the human person is the goal of the Catholic school (Congregation for Catholic Education 1997, n. 9).

Purpose

The purpose of this policy is to demonstrate the strong commitment of St Brigid's School to the care, safety and wellbeing of all students at our school. It provides an outline of the policies, procedures and strategies developed to keep students safe from harm, including all forms of abuse in our school environment, on campus, online and in other locations provided by the school.

This policy takes into account relevant legislative requirements within the state of Victoria, including the specific requirements of the Victorian Child Safe Standards as set out in [Ministerial Order No. 870](#).

This policy applies to school staff (teaching and non-teaching), including school employees, volunteers, contractors and clergy

Principles

Catholic schools have a moral, legal and mission-driven responsibility to create nurturing school environments where children and young people are respected, their voices are heard and they are safe and feel safe ([CECV Commitment Statement to Child Safety](#)).

All students & young people attending St Brigid's Primary School have the right to feel safe. The school affirms its commitment to child safety by adopting a 'zero tolerance' to child abuse and by actively implementing and managing strategies to help protect children from harm.

The following principles underpin our commitment to child safety at St Brigid's School.

All students deserve, as a fundamental right, safety and protection from all forms of abuse and neglect.

- Our school works in partnership with families and the community to ensure that they are engaged in decision-making processes, particularly those that have an impact on child safety and protection.
- All students have the right to a thorough and systematic education in all aspects of personal safety, in partnership with their parents/guardians/caregivers.

- All adults in our school, including teaching and non-teaching staff, clergy, volunteers, and contractors, have a responsibility to care for children and young people, to positively promote their wellbeing and to protect them from any kind of harm or abuse.
- The policies, guidelines and codes of conduct for the care, wellbeing and protection of students are based on honest, respectful and trusting relationships between adults and children and young people.
- Policies and practices demonstrate compliance with legislative requirements and cooperation with the Church, governments, the police and human services agencies.
- All persons involved in situations where harm is suspected or disclosed must be treated with sensitivity, dignity and respect.
- Staff, clergy, volunteers, contractors, parents and students should feel free to raise concerns about child safety, knowing these will be taken seriously by school leadership.
- Appropriate confidentiality will be maintained, with information being provided to those who have a right or a need to be informed, either legally or pastorally.

Initiatives undertaken to ensure the safety of students and young people at St Brigid's Primary School include the following:

- » An annual assessment of the effectiveness of its Child Safety Management Strategies to identify areas for improvement.
- » A Code of Conduct defining workplace expectations including professional boundaries, ethical behaviours and acceptable & unacceptable relationships.
- » Processes for the recruitment, support, training & supervision of staff members, clergy, casual relief staff, volunteers, and contractors who participate in 'Child Connected Work'.
- » Procedures for responding to and reporting suspected Child Abuse.
- » Inclusion & empowerment of all students & young people in the establishment of Child Safety strategies.
- » A commitment that promotes safety of Indigenous children, children with disabilities and those from culturally and/or linguistically diverse backgrounds.

St Brigid's Primary School maintains policies, procedures and strategies to create a child safe environment in the following areas.

Definitions used in this Policy

Child: A child or a young person enrolled as a student at the school.

Child abuse includes:

- (a) any act committed against a child involving:
 - (i) a sexual offence
 - (ii) an offence under section 49B(2) of the **Crimes Act 1958** (grooming)
- (b) the infliction, on a child, of:
 - (i) physical violence
 - (ii) serious emotional or psychological harm

(c) serious neglect of a child. ([Ministerial Order No. 870](#))

Child safety encompasses matters related to protecting all children from child abuse, managing the risk of child abuse, providing support to a child at risk of child abuse, and responding to incidents or allegations of child abuse. ([Ministerial Order No. 870](#))

Child neglect includes a failure to provide the child with an adequate standard of nutrition, medical care, clothing, shelter or supervision to the extent that the health and physical development of the child is significantly impaired or placed at serious risk. ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#))

Child physical abuse: Generally, consists of any non-accidental infliction of physical violence on a child by any person. ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#))

Child sexual abuse is when a person uses power or authority over a child to involve them in sexual activity. It can include a wide range of sexual activity and does not always involve physical contact or force. ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#))

Emotional child abuse occurs when a child is repeatedly rejected, isolated or frightened by threats, or by witnessing family violence. ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#))

Grooming is when a person engages in predatory conduct to prepare a child for sexual activity at a later date. It can include communication and/or attempting to befriend or establish a relationship or other emotional connection with the child or their parent/carer. ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#))

Mandatory Reporting: The legal requirement under the *Children, Youth and Families Act 2005* (Vic.) to protect children from harm relating to physical and sexual abuse. The principal, teachers, medical practitioners and nurses at a school are mandatory reporters under this Act. ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#))

Reasonable Belief: When school staff are concerned about the safety and wellbeing of a child or young person, they must assess that concern to determine if a report should be made to the relevant agency. This process of considering all relevant information and observations is known as forming a 'reasonable belief'. A 'reasonable belief' or a 'belief on reasonable grounds' is not the same as having proof but is more than mere rumour or speculation. A 'reasonable belief' is formed if a reasonable person in the same position would have formed the belief on the same grounds. ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#))

School environment means any physical or virtual place made available or authorised by the school governing authority for use by a child during or outside school hours, including:

- (a) directly engaged or employed by a school governing authority
- (b) a volunteer or a contracted service provider (whether or not a body corporate or any other person is an intermediary)
- (c) a minister of religion. ([Ministerial Order No. 870](#))

Organisational Arrangements

At St Brigid's School we have created a Child Safety Team which consists of the following staff:

Principal

Deputy Principal

Religious Education Leader

Student Wellbeing Leader

School Staff Responsibilities

Responsibilities of school staff (school employees, volunteers, contractors and clergy) include:

- treating children and young people with dignity and respect, acting with propriety, providing a duty of care, and protecting children and young people in their care
- following the legislative and internal school processes in the course of their work, if they form a reasonable belief that a child or young person has been or is being abused or neglected

- assisting children and young people to develop positive, responsible and caring attitudes and behaviours which recognise the rights of all people to be safe and free from abuse
- following the school's Child Safety Code of Conduct.

Child Safety Code of Conduct – expectation of staff

At St Brigid's School community, we expect school employees, volunteers, contractors and clergy to proactively ensure the safety of students at all times and to take appropriate action if there are concerns about the safety of any child at the school. All school staff must remain familiar with the relevant laws, the code of conduct, and policies and procedures in relation to child protection and to comply with all requirements. We have developed a Child Safety Code of Conduct <http://www.sbmord.catholic.edu.au/wp-content/uploads/2018/04/School-Community-Child-Safety-Code-of-Conduct-2017.pdf> which recognises the critical role that school staff play in protecting the students in our care and establishes clear expectations of school employees, volunteers, contractors and clergy for appropriate behaviour with children in order to safeguard them against abuse and or neglect.

Our Code also protects school staff through clarification of acceptable and unacceptable behaviour.

Student Safety and Participation

At St Brigid's School we actively encourage all students to openly express their views and feel comfortable about giving voice to the things that are important to them.

We teach students about what they can do if they feel unsafe and enable them to understand, identify, discuss and report on child safety. We listen to and act on any concerns students, or their parents or carers, raise with us.

At St Brigid's we have the following in place for children to have a voice about things that are important to them:

- In the student Portal we have the "Tell Someone" site where children can put concerns into writing and is sent to a member of the Child Safety Team or a teacher the child feels comfortable talking to
- Student Wellbeing Representatives from each class level which have fortnightly wellbeing meetings where the children bring up concerns/issues

Responding to and Reporting Child Safety Concerns or Abuse

Our school records any child safety complaints, disclosures or breaches of the Child Safety Code of Conduct, and stores the records in accordance with security and privacy requirements. Our school complies with legal obligations that relate to managing the risk of child abuse under the *Children, Youth and Families Act 2005* (Vic.), the *Crimes Act 1958* (Vic.) and the recommendations of the [Betrayal of Trust](#) report.

Child protection reporting obligations fall under separate pieces of legislation with differing reporting requirements.

Our school's **Child Protection – Reporting Policy** <http://www.sbmord.catholic.edu.au/wp-content/uploads/2018/04/SBPS-Child-Protection-Reporting-Procedure-2018.pdf> updated on

1.4.2018 sets out the actions required under the relevant legislation when there is a reasonable belief that a child at our school is in need of protection or a criminal offence has been committed, and provides guidance and procedures on how to make a report.

Our policy assists staff, volunteers and families to:

- identify the indicators of a child or young person who may be in need of protection
- understand how a 'reasonable belief' is formed
- make a report of a child or young person who may be in need of protection
- comply with mandatory reporting obligations under child protection law and their legal obligations relating to criminal child abuse and grooming under criminal law.

Our school has also established internal processes to ensure that appropriate action is taken. St Brigid's Primary School has appointed a Child Safety Officer (Michael Russo) with specific responsibilities for responding to reports or complaints made by any member of the school community relating to child safety concerns or abuse. The school's Child Safety Officer works

closely with members of the leadership team, staff members, clergy, casual relief teachers, volunteers, contractors, students and the parent community to ensure Child Safety Standards are maintained and all child safety complaints, suspected abuse, disclosures or breaches of the Child Safety Code of Conduct are immediately addressed.

Where staff members have significant concerns for the wellbeing of a student or young person they are mandated by law to report their concerns immediately to the Principal, Child Safety Officer or a Members of the Leadership Team before contacting DHHS Child Protection. Staff members will be supported through all aspects of the reporting process.

The school's reporting & complaints procedure is located on the school website.

Screening, Recruitment, Support, Training & Supervision

St Brigid's Primary School adopts Administrative & Human Resource practices to ensure its screening, recruitment & performance management processes identify and engage the most suitable candidates for positions available at the school. Recruitment and screening processes, as well as Police and Working With Children's Checks are minimum requirements for those engaged in 'Child Connected Work'.

Staff Members are provided with regular development opportunities, support, supervision & training to assist with addressing child safety matters.

Risk Management

At St Brigid's School we are committed to proactively and systematically identifying and assessing risks to student safety across our whole school environment, and reducing or eliminating (where possible) all potential sources of harm. We document, implement, monitor and periodically review our risk management strategies for child safety and ensure that the strategies change as needed and as new risks arise.

A Child Safety Team has been established which consists of: Principal, Deputy Principal, Religious Education Leader and Student Wellbeing Leader. Child Safety is addressed at weekly Professional Team Meetings and fortnightly Leadership Meetings.

Relevant Legislation

- *Children, Youth and Families Act 2005* (Vic.)
- *Working with Children Act 2005* (Vic.)

- *Equal Opportunity Act 2010* (Vic.)
- *Privacy Act 1988* (Cth)
- *Crimes Act 1958* (Vic.) – Three new criminal offences have been introduced under this Act:
 - a) **Failure to disclose offence**: Any adult who forms a reasonable belief that a sexual offence has been committed by an adult against a child under 16 has an obligation to report that information to police. Failure to disclose the information to police is a criminal offence.
 - b) **Failure to protect offence**: The offence will apply where there is a substantial risk that a child under the age of 16 under the care, supervision or authority of a relevant organisation will become a victim of a sexual offence committed by an adult associated with that organisation. A person in a position of authority in the organisation will commit the offence if they know of the risk of abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so.

- i) **Grooming offence:** This offence targets predatory conduct designed to facilitate later sexual activity with a child. Grooming can be conducted in person or online, for example via interaction through social media, web forums and emails.
